

Operating Instructions

Aroma Set for CellActivator!

Usage:

Fill the glass vessel with **5 sprays** from the bottle, then you can enjoy the fragrance for about **1 hour**. A 50ml bottle is enough for 80 hours of fragrance experience.

We have chosen a high-quality product from Tyrol for the fragrance.

For reorders, you can order the bottle directly from the manufacturer, the Tyrolean Herb Farm. You can find more information on the back.

Breathing air combined with natural aromas

Pleasant scents improve health and well-being, which leads to a better quality of life. From the Herb Farm, a special herbal aroma is included that enhances your experience with the **CellActivator**.
